

*Introducing Rev. Sr. (Dr.) Henrietta Powers award of distinction for all round excellence*

*This award is given in honor of our matriarch, Rev. (Dr.) Sr. Henrietta Powers whose astuteness towards our academic excellence was unrivalled. Her influence on every child that passed through her leadership left eternal memories, very deeply etched. She started the positive seeds in some of us, while she also watered the positive seeds that have been engrained in some of us. In whatever stage she met us, she refused to let us remain the same. We were changed and ready for the world. Our academic prowess was matchless. We were groomed, prepped and ready for every challenge head on. Thank you for your selfless sacrifice of years of investing in the girl child. We are bearing the torch and paying it forward.*

*On behalf of GOGI family, it is my pleasure to announce the first recipient of this great award and honor for 2015-2016 academic year:*

*Victoria Osazuwa*

*Respectfully,*

*Desiree Tisdol*
